# What is child care Fee Subsidy

The Child Care Fee Subsidy program helps families pay for licensed child care and qualified recreation programs so that parents/caregivers can work or attend school. Families who qualify will have some or all of their child care costs covered.

## Do I qualify?

If you live in Haldimand or Norfolk Counties and have children aged 12 or younger (or aged 18 or younger if special needs exist), you may be eligible to receive help with your child care costs if one of the following applies:

- you are employed full or part time
- you are attending school full or part time
- you are retraining full or part time
- you are a parent with special needs, or have a child with special needs, and have been referred by a professional
- you are a parent with therapeutic needs, or have a child with therapeutic needs, and have been referred by a professional

You cannot apply for Child Care Fee Subsidy if you have not filed your income tax for the last taxation year.

## How much will I have to pay?

Your contribution towards the cost of your child's care will be based on the results of an "income test".

If your family's net income is \$20,000 or less, you will not have to pay for any of your child care.

If your family's net income is more than \$20,000, you may have to pay for some of your child care costs.

## What child care provider can I use?

We can help you with your child care costs if your child is attending any of the licensed child care programs in Haldimand or Norfolk Counties. There are also a few licensed programs outside of Haldimand and Norfolk that your child can attend. Subsidy may also be provided if your child is between the ages of 6-12 years old and attending an approved recreation program.

A list of all licensed child care programs and recreation programs that you can choose from can be found on the back of this brochure.

Child care spaces are limited and not all child care providers will have space available at all times.

## How do I apply for Child Care Fee Subsidy?

### STEP 1: Telephone Interview

Call the Children's Services Team at 519-426-6170, or 519-582-3579 or 905-318-6623, Ext. 3745 Monday to Friday between 8:30 a.m. and 4:30 p.m.

You will be asked questions about your family, your income and your child care needs.

An in-person appointment will be booked for you at our Simcoe, Dunnville or Caledonia office.

You will be asked to bring specific documents to the interview. A reminder, listing which documents you will need, will be mailed to you after you have booked your appointment.

### STEP 2: In-person Interview

Your in-person interview will take about half an hour.

During the interview, your Children's Services Worker will review and verify the information you gave us over the phone.

Based on the information you provide, your Children's Services Worker will determine whether you qualify for Child Care Fee Subsidy.
